

41-51 Monash Drive Dandenong South VIC

99

Crabtrees Real Estate are pleased to offer 41-51 Monash Drive, Dandenong South For Lease.

As the current supply of A grade industrial buildings continues to decrease this is certainly the best priced option in the market for a true logistics facility.

Located in the M1 Industrial Estate, the area provides quality staff amenity, easy access to the major road network and exposure for signage to Western Port Highway.

Turn left from the main driveway and Monash Drive provides direct connectivity to the Western Port Highway or turn right and the controlled intersection at Abbots Road provides options to head towards South Gippsland Hwy or EastLink.

Price : Contact Agent
Building Size : 15830 sqm
