

8-12 Natalia Avenue Oakleigh South VIC

Your new Workshop awaits!

Workshop embraces a new era of business with lifestyle, well being and technology at its heart.

Workshop redefines traditional notions of the warehouse with versatile spaces that are both inspiring and unique. Whether retail or workspace, businesses are able to foster a fresh identity where they can successfully grow and flourish.

A boutique collection of 30 architecturally designed office / warehouses - Workshop presents a rare opportunity to be a part of a dynamic new work precinct. Each suite benefits from maximum flexibility and can be customised to suit your business needs.
