Crabtrees Real Estate is excited to offer For Sale 90 & 92 Atherton Road, Oakleigh via Expressions of Interest closing on Wednesday 31st August at 4pm.

90 & 92 Atherton Road, Oakleigh are situated close to the heart and soul of Oakleigh, on the corner of Atherton Road and Regent Street.

Located side by side, this is an excellent opportunity for astute investors to secure either one or both assets.

The terrific upside of this property is its repositioning - the potential to redevelop the site into a mixed-use multi level development will be clearly sought after based on a precedent of surrounding apartment towers.
